!!!SHIPPING!!! MUST READ

I WILL NOT SHIP OUT OF THE COUNTRY (ONLY SHIPPING TO THE LOWER 48 STATES). THE SHIPPING IS LOW, BUT REALIZE THAT SHIPPING WILL BE CALCULATED IN ACCORDANCE TO THE BUYER'S LOCATION. SHIPPING FROM CALIFORNIA TO HELENA, MT WAS \$500, AND THIS PRICE WAS CHEAPER BECAUSE I USED A LOCAL SERVICE (FREIGHT). THIS PRICE WOULD APPLY TO THE NORTHWESTERN UNITED STATES, BUT WILL MOST LIKELY BE A DIFFERENT PRICE, I JUST WANTED TO OFFER IT FOR REASON. THE MACHINE WEIGHS ABOUT 500LBS, SO KEEP THAT IN MIND. IF YOU HAVE ANY QUESTIONS AT ALL PLEASE DON'T HESITATE TO ASK.

For sale is an Ampex MM1000, quite possibly the most popular of Ampex's famed multitrack reel to reel recorders. This model in particular was just recently serviced by a Fantasy Studio technician, from whom I also purchased the machine. The machine was used in Fantasy Studios (home to recordings by Janis Joplin, Jimi Hendrix, and Creedence Clearwater) and stayed beginning from its manufacturing date and up to its subsequent purchase by myself. I have the serial number specific to Fantasy Studios posted on the front of the machine, I just forgot to picture, which I'll do as soon as possible. Also included is 7 boxes of tape and 4 reels, all in working condition, the original instruction manual and service manual, 2 external recording controllers (one broken controller for spare parts) and a box filled with any other replacement parts as might be necessary. The machine, like I said, was recently fixed up by the former owner of the machine, as he acquired it through Fantasy while they were making the switch to all-digital, and he passed it on to me to sell it through Ebay. The only thing wrong with the machine is that the VU meters have a plastic cover missing over it (something that could be easily replaced with a trip to the hardware store) but the VU itself is in complete working order. I listed the item at \$3,000 because it was the average of the currently listed Ampex Multitracks and for the condition it is in (including the extras) I think it's a fair price. When you purchase we will work out the pickup of the item (for freight concerns). If you have any questions at all, please ask. I can send more photos and information, and I check Ebay daily. Happy Bidding!
